Cancellation policy

Please note that an appointment is considered confirmed once agreed with Jessica, either verbally or in writing. If you cannot attend a planned appointment, please notify Jessica as soon as possible. **Due to the nature of the work and the demand for appointments, there is a cancellation policy in place; if an appointment is cancelled within 48 hours of the appointment time, the full fee will still be incurred unless there are exceptional circumstances.** Finally, if you are late for a session or the session is cut short (by yourself/ves) without pre-arrangement, the full fee will still be incurred.

Payment

Payment for each session is due once the session in question has been completed and should be made in full **within seven days**, using cash, cheque (payable to Jessica Donohoe) or preferably via BACS transfer using the details below. Please note that if payment is not made within seven days, further sessions will not be booked and any sessions already arranged will be cancelled.
